Hi Darin,

The HPOZ is actually under the Department of City Planning, they review and approve most cases in the Harvard Heights HPOZ. I've got a spot saved on the agenda. Can you send me a digital copy of the design and materials late this week? I want to be sure the application is complete so the board doesn't have to continue the item.

Hi Ari,

That would be great. Does it happen to be associated with Harvard Heights Neighborhood Association?

Hi Darin,

I spoke with Christina in our office, who explained that these are lamppost signs and not sidewalk inlays. In that case I think they can be reviewed as a kind of sign. Would you be able to attend the board meeting next week on April 12th? Meetings are at 7:00 pm at the church on Hobart. You would need to bring six copies of the design and material specs.

I have been in touch with Council District 10 and have received support from the Harvard Heights Neighborhood Association and the West Normandie Heights Neighborhood Association. There would possibly be between 5 to 8 medallions installed in the section that makes up the Harvard Heights HPOZ.

I appreciate any assistance you can give me in this process.
